Service Projects

The Service Project is a vital part of the Confirmation Process. It shows that we really follow the ideals of Christ and reach out to those in need. At least five hours of service are to be completed by 7th grade and are due in April 2024. At least ten hours of service are to be completed by 8th grade and are due by their chosen retreat date in March 2024. Please chart your activities noting date, type of service, hours spent and signature of supervising adult or the person the service is rendered to on the backside of this form.

After completing a service activity log, please answer the following questions about one of your experiences.

1. Why did you choose this activity?

2. What did you learn about yourself by doing this activity? Did you discover a gift or talent that you did not realize you possessed? (Ex.-empathy) How do you plan to use this newfound gift in the future?

3. Did you learn something about yourself that you need to improve to become a better disciple? (Ex.- more patience) What is a way you to grow in this area?
