The Parable Project: Take Two

The Parable Project: Take Two features humor, improvisation and audience participation that brings the Gospel message to life in a creative and fun way! You'll be inspired by a new show featuring nine parables that will help you experience the love of God. The audience helps to create the storm in "The Wise Builder," makes their best fish face in "The Net" and is delighted by song and pantomime in "The Lost Coin" and "The Merchant Searching." The New Evangelization calls each of us to deepen our faith, believe in the Gospel message and go forth to proclaim the Gospel. You're invited to attend this engaging, lively and interactive performance that will inspire you to live this call today!

Power & Grace: A Guide to the Catholic Sacraments

There is so much to know and ponder about our Catholic Faith, particularly about the sacraments. In a busy world, it is easy to go to Mass and Confession without cultivating a more mature understanding or deeper participation in the sacramental life of the Church. This program is a much-needed opportunity to gather together and grow by asking questions such as "What is grace?" or "What do we mean when we say that the Eucharist is Jesus?" It is also an invitation to begin a more sacramentally integrated life where the sacraments are more than weekly obligations or rites of passage. Your study group has the potential to change lives, and your willingness to lead is a gift to the Church.
