

# DID YOU KNOW...

14% of teens sent and 27% were sent inappropriate photos?

82% of kids are exposed to inappropriate material online by age 11?

1 in 3 kids aged 9-17 reported being contacted on a platform by an adult they do not know?

These statistics are scary, but there are steps we can take to protect our children.

**Monday**  
**September 26, 2022**  
**6:30 p.m. - 7:30 p.m.**  
**St. Edith Social Hall**

Refreshments & Resources provided.

Learn tips on how to keep kids safe on their phones, online, and on social media at a presentation by Detective Sergeant Antonio Richardson of the Michigan State Police, Cyber Section.

Parents, grandparents, and anyone who has a child in their life is encouraged to attend. Even if your child does not have access to social media or a device yet, consider attending so that you can be prepared to teach them about digital safety. This session is for adults only, as some of the content and topics discussed are not appropriate for children.
