

Service Hour Opportunities

The Confirmation preparation program at St. Edith involves your child completing service hours. This helps students understand the importance of putting their faith in to action by serving others and helps them to see the face of Jesus in those they serve. Students in the 8th grade will need to complete at least 10 hours of service by March, 2023. Students in the 7th grade will need to complete at least 5 hours of service by April, 2023. Students will document their service hours on the required form.

Many service activities can meet this requirement and your student is welcome to participate in any activity that serves others (without pay) outside of the home and family.

Parents/guardians are encouraged to attend activities with their child. Attending together can lead to meaningful conversations about the experience.

Please remind your child to bring the form documenting their service hours to have it signed at the event.

Students may have a phone with them at a service activity, but it should be used **only** in an emergency. Non-emergency phone use during a service activity are not allowed as it is distracting and removes the focus from the service opportunity.
